

Marsh Harbour at Kingsland Property Owners Association (MHPOA) is recruiting association members (property owners) to serve on the Board of Directors. Members of the Board of Directors are appointed by the declarant to represent the best interests of the membership in the business affairs of the association according to the Covenants and Restrictions and Bylaws. (These documents may be found on the association web site at <http://mhpoa.org/>.) We are financially sound and the current Board members enjoy working with each other. No special experience is required beyond a willingness to serve and work cooperatively with others.

The association is made up of the property owners of the following neighborhoods: Laurel Marsh, Inverness Chase, and most of the owners of Jefferson Landing, Christians Landing, and Brookshire. Day-to-day duties are handled by a management company which is overseen by the Board. In addition to maintaining the common areas, which includes the pool and tennis courts, the MHPOA Board manages the parkway for all of Laurel Island through a parkway committee made up of all of the associations in Laurel Island.

If you are interested in being appointed, please send your name, address of property, and contact information to the treasurer, Andy Figueroa, at treasurer@mhpoa.org.
